

U. S. EPA Invites all Region 4 State and Regional Environmental Professionals to the

Advanced Corrective Action Symposium

When: September 13 - 15, 2005

Where: Granada Suite Hotel
1302 W. Peachtree St.
Atlanta, GA 30309

Objectives: This 3-day Advanced Corrective Action Symposium is designed to provide informative technical presentations and promote open discussion on moderate to advanced technical topics and issues related to RCRA Corrective Action (see Agenda below). The subject areas and training methods are structured to allow the participants adequate time to discuss issues pertinent to their States' activities and/or State or site-specific concerns. Participants are invited to bring information necessary to openly discuss any applicable or appropriate technical or site-related issues or concerns. Participants will be provided with course materials including a reference CDROM with updated information and resources related to RCRA Corrective Action. This course is open to US EPA Region 4 states and EPA Region 4 regulators only.

To Register: Please Register ONLINE at <http://www.trainex.org>
