Proudly Present:

**Chemical Agents of Opportunity for Terrorism:
The Medical Consequences of TICs (Toxic Industrial Chemicals)
and TIMs (Toxic Industrial Materials)**

Thursday, September 21st 2006

8:00 – 9:00 am sign-in

9:00 – 4:00 pm course

City of Chula Vista Council Chambers
276 Fourth Ave.
Chula Vista, CA 91910

This course is offered as a bi-lingual presentation, with simultaneous translation service provided to all attendees. The ACMT faculty will be presenting three course sections in Spanish and three sections in English. All course materials will be available in both Spanish and English.

This course provides awareness-level training for a variety of toxic syndromes likely to be encountered following exposures to "chemical agents of opportunity." The faculty members are all board certified and fellowship trained physician medical toxicologists who are members of the American College of Medical Toxicology (ACMT) and currently serve as consultants to ATSDR. They have extensive experience directly caring for patients suffering from the ill-effects of chemical agents and poisons.

Registration is free and class size is limited.

Register On-Line at: <http://www.trainex.org/offeringlist.cfm?courseid=502&all=yes>

For additional information or questions (in English) please contact Libby Vianu, ATSDR, at (415) 947-4319 or vianu.libby@epa.gov. For additional information or questions (in Spanish) please contact: Barbara Maco (415) 972-3794 or maco.barbara@epa.gov
