1st Floor Library
Santa Ana, CA. 92701

This course provides awareness-level training for a variety of toxic syndromes likely to be encountered following exposures to "chemical agents of opportunity." The faculty members are all board certified and fellowship trained physician medical toxicologists who are members of the American College of Medical Toxicology (ACMT) and currently serve as consultants to ATSDR. They have extensive experience directly caring for patients suffering from the ill-effects of chemical agents and poisons.

Refreshments and a light lunch will be provided by the Orange County District Attorney's Office. Parking is across the street. Enter on Birch and display the parking pass. The parking pass can be printed from the web-site.

Registration is free and class size is limited. Register On-Line at: <http://www.trainex.org>
Registration Deadline is November 8, 2006.
