

HOTELS

The following are very nice hotels that are within one to five miles from our office and the airport. All offer government rates, dependent upon availability and hotel occupancy. Many of the hotels offer specials which could possibly be even lower than the government rate. Las Vegas is always a busy town, so hotels may be a little difficult to book. Good Luck!

BALLY'S (Gaming on the strip, 4th closest to RTC-W)
Las Vegas Blvd
(702) 739-4111

PARIS (next to/connected to Bally's) (gaming on the strip)
