## **SAVE THE DATE**

### **The Puerto Rico Children's Environmental Health Conference**

**Are You Concerned About:  
Environmental Triggers of Asthma?  
Childhood Lead Poisoning?  
Water Contamination?  
Pesticide Exposure?  
Preterm Birth and Environmental Risk Factors?**

This conference will provide you with the latest information on hot topics in Children's Environmental Health including prenatal exposures, asthma, childhood lead poisoning, water contamination and pesticide exposure.

Using case examples from Puerto Rico, the goal of the conference is to increase awareness, prevention, identification, and treatment of environmental exposures from pregnancy through childhood and adolescence.

**Saturday, April 14th, 2012  
9:15 am to 3:30 pm  
The University of Puerto Rico**

Principal Building Guillermo Arbona Irizarry  
Medical Sciences Campus of the University of Puerto Rico  
Amphitheater Ist, 3rd Floor - B-351  
Río Piedras, Puerto Rico 00935

**To Register: <http://www.trainex.org/PRchild>  
For Questions, Please Call 1-866-265-6201**

**The target audience for this conference includes physicians, nurses, health care providers, public health personnel, community based organizations, trainees and students. All are welcome!**

**There is no cost to participate in this conference. Parking is available at the UPR.**
