Security Procedures for EPA Region 10 Office

- You need to bring a photo ID and check in at the beginning of each day of your visit.
- Please allow 20 minutes to complete the initial security procedures each day of the workshop. At lunch, screening must happen again, so please allow for 10-15 minutes and bring only the essentials to lunch to allow for quicker screening.
- The entrance of Park Place building is located at the SE corner of University Street and 6th Avenue.
- When entering the building on the ground floor, you will go through standard federal facility security screening including a request to see photo ID, a walk through a metal detector and an x-ray screening of packages and personal items.
- After security please check in at the Service Center. Service Center hours are 7 AM to 4:30 PM and is located behind the security guard desk. All visitors, including family and friends, are required to check in at the Service Center. At the Service Center you will be issued a dated visitor's badge with evacuation directions. The badge must be visibly worn by visitor to identify them as guests here to conduct official business with the EPA.
- Visitors will be escorted to the meeting destination by the EPA host. EPA plans to have people stationed in the Service Center to bring attendees to the workshop and will also provide cell phone numbers for late arrivals.
- EPA employees from operations/field office, HQ and other regions must also check at the Service Center each day of their visit and visibly wear their government ID badge.
- No weapons of any kind are permitted, including but not limited to: Firearms, with or without concealed weapon permit, pepper spray and any other personal defense weapon, razors and knives over 2.5 inches, other common items that are not permitted include: work tools without a work order to perform work in EPA space, and marijuana and medical marijuana, with or without card.
- Elevator security features require the use of a key card to operate the elevators only issued to EPA R10 employees. EPA will post someone near the elevators to assist participants at the beginning of the day and after returning to the workshop from lunch.
