

Directions and Parking Instructions

Arizona Department of Environmental Quality
1110 West Washington Street
Phoenix, AZ 85007
Main Line: 602-771-2300
Sandy Chismark: 602-771-4123

ADEQ is on the north side of Washington Street between 10th and 12th Avenues. Washington is a one way street going west in front of our building so you need to be on Washington Street going west before you get to 11th Avenue. (The photo below will help you identify our building).

We have a 5 story parking garage located on the east side of our building. There is visitor parking on the first floor of the structure and the entrance is a right turn off of Washington Street. There is no fee for parking.

If visitor parking is full, you may park on other floors of the parking structure; however, you will need to exit the garage to the west; take a loop around the building (three right turns) and use the employee entrance on the east side of the garage (off of 10th Avenue). You will most likely find spots on the 4th or 5th floors, but **please only park in spots not designated as reserved. There is also some metered and unmetered spaces around and across from the front of our building.**

Take the elevator on the west side of the garage to the first floor. Come into the building and proceed to the third floor. There will be signs directing you to the 3175 Conference Room. Please sign in at the reception table before you take a seat.
