Building Security
Please arrive at 8:00 a.m. to allow extra time to go through security when arriving for the meeting. All non-NRC employees please be prepared to present a valid drivers license and another picture identification (federal employees may use their badge as the second identification) to the guards at the guard station upon entering the auditorium side entrance (please see map and instructions on how to enter the building in the "Metro" section below). *Note: You may be subject to security screening by guards through metal detectors and/or x-ray equipment.*

Metro
The easiest access to NRC's Headquarters campus is via the METRO on the **Red Line**. The NRC complex is located adjacent to the **White Flint METRO stop**. Reagan National Airport and Union Station (AMTRAK) both have METRO stops. Although Dulles International Airport is not serviced by METRO, there is Fairfax connector shuttle bus (#983) to the METRO (10 minute ride to the Wiehle-Reston Station on the Silver Line). Baltimore-Washington International (BWI) Airport is not directly accessible to the METRO but is accessible to AMTRAK (at scheduled times) which stops at Union Station which has a METRO stop on the **Red Line**. METRO information is at: http://www.wmata.com/

Parking
The NRC Headquarters campus is at the **intersection of Rockville Pike (Maryland State Route 355) and Marinelli Drive** (see attached location map). The campus is approximately 2 miles north of the Washington Beltway (I-495) off of Maryland State Route 355 known as Rockville Pike. There is very limited metered parking on Marinelli Drive near the NRC campus. There is very expensive parking in the nearby METRO parking garage off of on Marinelli Drive, and you must have a METRO SmartTrip card (see: http://www.wmata.com/fares/smartrip/) to pay the expensive parking fee.
